Anticipation, by Carol McClure

The Featured Artist For June is Carol McClure

Carol McClure is a native of San Diego who received her training from California Western University and San Diego State University. She taught school for 33 years and during those years, she drew and painted pictures.

As a member of our U.S. Shooting Team, she had the opportunity to travel to many parts of the U.S., Mexico, Canada, Europe and South America.

Carol won a gold medal at the World Shoot in Venezuela. McClure enjoyed sketching and painting the people she met during these competitions. Many of these pictures are in homes worldwide.

She retired from teaching and began to make pictures using various media. She has been taught and inspired by many artists. She paints people, animals, and places, always looking for interesting subjects. Today, she is working mostly with scratchboard.

FOOTHILLS ART ASSOCIATION MAY 2022 BOARD MEETING

The Foothills Art Association Board meeting convened on Monday April 25th, 2022 at 4:00p.m.

Attendees: Gary Dyak, Peggy Connolly, Judy Sawyer, Roz Oserin, Roberta LaBastida, Bonnie Owen, Bob Pinner, Tom Kilroy, Sharon Meng, Renee Ciufu and Barbara Drews.

1. The positions of the Board of Directors were reviewed to clarify the responsibilities of each position. The 1st Vice President's role was redefined as a supervisor to a group of volunteers who find demonstrators and help in the set-up of demonstrations and workshops.
2. The hanging committee will designate one person on the committee to be in charge of training any new members that are helping with hanging on how to properly take care of the art during the hanging process. Gary will write instructions on how to properly prepare artwork for hanging.
3. Renee motioned to not have a featured artist when the Annual Juried Members Show/April, The Small Image Show/September and the Wildlife in Art Show/November are held. Roz seconded the motion and it was unanimously passed. Section II - Rules Governing Rotating and Featured Artist Shows in the Standing Rules for Exhibits were reviewed and reinstated.
4. Roz motioned that Standing Rules For Exhibits, Section I, 1 - Acceptable Work, paragraph A be changed to include "Scratchboard" and that Paragraph C include "3-D art" be added to the list of not accepted art. Also, in paragraph 1e - "Eye screws" be replaced with "D-rings". Gary seconded the motion and it was passed by a majority vote. The Take-in committee will reinforce Standing Rules for Exhibits, Section III - Rules for all Judged and juried shows to include paragraph 4 - "All two dimensional works must be done by the artist. All artwork must be original. All artwork must have been done within the last two years at the time of entry." and paragraph 7 - "Any piece of artwork that has previously won a cash or merchandise award from our Foothills Gallery cannot be resubmitted to another cash/merchandise show."
5. A recommendation was made to change to a new webmaster (Anthony Blando) to host and oversee our website. The new webmaster will migrate the website for free, have a dedicated IP address, do daily backups, provide a free SSL, provide advanced image compression, free monitoring and updates to plug-ins. Roz initiated the motion, Peggy seconded the motion and it was unanimously passed.
6. An additional page will be added to the website which states the current Standing Rules for Exhibits. Prior to each juried show a link to the show's prospectus will be added for members to submit their work for the show so that members can read and understand all of the specifications for entry.
7. Peggy brought a motion to change the Take-in day for Juried shows (Annual Juried Member Show, the Small Image Show and the Wildlife in Art Show) to the Friday after the monthly members meeting and demo. Take-in would occur from 10am to 1pm and the Juror would then judge the show from 1-2pm. Bob seconded the motion and it was unanimously passed. Members will pick up the existing monthly show and clear the walls on Thursday evening allowing more space for take-in on Friday morning. Upon take-in, juried art will be placed on the floor all around the perimeter of the gallery. Each artist's paintings will be in order starting with #1, #2 etc. so if an artist is entering 4 paintings in the show but only up to 2 are allowed, they will be next to each other, making it easy for the juror to eliminate the excessive amounts.
8. To declutter the front desk area, only the following binders will be displayed: a binder with Gallery Sitting instructions, By Laws and the Annual Schedule, a binder for Monthly Shows and a binder for Artist Demos/Workshops.
9. Members will be reminded that any art supplies, frames, books, etc. they would like to give away/donate to the gallery should only be brought in for our annual Art Rummage Sale in December.
10. A clean up of the gallery and storage spaces will take place on May 23rd from 10-12. Roz made a motion to keep historical documents for 2 years and financial tax documents for 5 years. Peggy seconded the motion and it was unanimously passed.

The meeting adjourned at 5:46.

The next Foothills Board Meeting is scheduled for June 6th at 10:00 at Foothills Gallery

The Demonstrating Artist for June is Sharon Carol Demery

Our Demonstrating Artist for June is **Sharon Carol Demery**. She will demonstrate her technique on June 2nd and will have a workshop on Sunday June 5th from 12N to 2:00PM.

Sharon Carol Demery moved from the San Francisco Bay area to Los Angeles, where she attended UCLA and Otis Parson's School of Art and Design. Here she developed her modern art with an affinity for vibrant color, purity, and simplicity, depicting images of abstraction that retain their cohesiveness.

Sharon taught painting at Arizona Western College in Yuma from 1979 to 1981, after which she moved to San Diego, where she continued her studies at UCSD (where she completed the "Art and the Creative Process" certificate program), San Diego City College, and Platt College. Sharon has studied and developed her art throughout her entire life. Her journey continues.

Sharon says this about her workshop:

Claude Monet, Henri Matisse, Berthe Morisot, Andre Derain: these great masters in Impressionism and Fauvism took painting to fascinating new levels.

I would like to show you the process I employ to go from an Impressionist painting into a Fauvist painting using simple compositions, bright colors, lack of perspective and details, which are the hallmarks of Fauvism. It is a fun and exciting way to paint!

New Groups Meeting at the Gallery
